Not brand advertised. Paid extra for better brand got a product that is of a brand that is readily available at a third of the price I paid. Contacted sell and all the could say is we can refund you half the money you paid and I keep the inferior item. I don't want the item but by the time I've paid the return postage I will have paid for the cheaper item. Won't be buying from this seller again

Item got lost in the post, seller has given me a full refund so can't fault the seller.
